

Dear Valued SentriLock Customer:

We've been hard at work improving the SentriKey® Real Estate website and app with an updated look and easier, user-friendly features and navigation for you!

Watch the 2-minute narrated video below to see what's new on **My Listings** and **My Settings**, or check out the highlights below. **The updates are effective Monday, March 15, 2021.**

SentriKey® Real Estate Website and App Updates

1) MY LISTINGS Page (Website)

We've redesigned the **My Listings** page and added new features!

- **Listing Summary:** This includes the photo of your listing, the status, and the listing price from the MLS. Also available is the ability to generate an access code (if enabled by your association). You'll have the ability to manually add a listing as well as edit

any manually added listings. And, you'll now be able to manually add a listing price, as well as number of bedrooms and bathrooms, and square footage.

- **Showing Instructions:** The following can be added from the website: Standard Instructions, Lockbox Instructions, Alarm Instructions, and Additional Information.

2) NEW! MY LISTINGS is being included on the SentiKey® Real Estate mobile app so you can manage your listings from wherever you are!

3) MY SETTINGS Page (WEBSITE)

We've added more functionality to make your life easier!

- **Profile Settings:** Update your profile photo, your email address, and/or your cell phone number.
- **Account Settings:** Change your website or app password, as well as your lockbox access PIN.
- **Adding a Team Member:** This has just gotten easier! Simply search for the team member, click on the plus icon, and send the request to be added. Once the requested agent approves your request, you'll be added to each other's teams.

We hope these new features make doing business easier than ever! If you have any questions or need assistance, please reach out to your Customer Success Manager.
